

Workshop on Continuous Pharmaceutical Manufacturing From Powder to the Coated Tablet

September 19th – 21st, 2017

Location:

L.B. Bohle Technology Center
Industriestr. 18
59320 Ennigerloh, Germany

Contact:

www.lbbohle.com or www.continuous-production.com
t.borgers@lbbohle.de
+49 2524 – 93 23 0

Agenda:

Tuesday, September 19th – Day One

L: Lecture, B: Break, P: Practical session, T: Transfer

Time	Action	Topic	Persons in charge	Affiliation
till 12:00	B	Arrival of participants and snacks / drinks		
12:00-12:15	L	Welcome and introduction of L.B. Bohle		L.B. Bohle
12:15-13:15	L	Innovation in continuous manufacturing at L.B. Bohle	Dr. Robin Meier	L.B. Bohle
13:15-14:00	L	State-of-the-Art Tablet Compression for Continuous Manufacturing	Fred Murray	KORSCH AG
14:00-14:30	B	Coffee break / snacks		
14:30-17:00	P	Continuous direct compression and semi-continuous coating	L.B. Bohle Team	
17:15-17:45	L	Wrap up of the day and open questions	Dr. Meier and Team	
17:45	T	Transfer to hotels and to dinner location		
19:00	B	Dinner at Hotel Waldmutter		
22:00	T	Transfer to hotels		

Agenda:

Wednesday, September 20th – Day Two

L: Lecture, B: Break, P: Practical session, T: Transfer

Time	Action	Topic	Persons in charge	Affiliation
08:45	T	Transfer from the hotels to L.B. Bohle		
9:00-9:45	L	Formulation aspects in continuous manufacturing of solid dosage forms	Prof. Dr. Dr. h.c. Peter Kleinebudde	Heinrich Heine University Duesseldorf
9:45-10:30	L	Challenges of powder feeding and blending in continuous OSD manufacturing	Dr. Ralf Weinekötter	Gericke AG
10:30-10:50	B	Coffee Break		
10:50-11:35	L	Strategic considerations in the introduction and application of PAT for pharmaceutical manufacturing processes	Dr. Hubertus Rehbaum	Technology Consultant
11:35-12:20	L	Continuous Manufacturing for Generic Industry	Ajay Pazhayattil	Apotex Inc.
12:20-13:30	B	Lunch in L.B. Bohle canteen		
13:30-13:45	T	Technology Center SC / TC Team	L.B. Bohle Team	
13:45-15:45	P	Continuous wet granulation/drying and compression	L.B. Bohle Team	
15:45-16:10	T/B	Transfer to Service Center and coffee break		

16:10-16:55	L	Continuous Manufacturing: Strategies for Process Development, Market Adoption and Regulatory Outlook	Douglas B. Hausner, PhD	C-SOPS, Rutgers University
16:30-17:15	L	Wrap up of practical session and the day	Dr. Meier + Team	
17:15	T	Transfer to hotels and dinner location		
19:00	B	Dinner at Hotel Waldmutter		
22:00	T	Transfer to hotels		

Agenda:

Thursday, September 21st – Day Three

L: Lecture, B: Break, P: Practical session, T: Transfer

Time	Action	Topic	Persons in charge	Affiliation
08:45	T	Transfer from the hotels to L.B. Bohle		
9:00-9:15	T	Arrival and transfer to Technology Center	L.B. Bohle Team	
9:15-10:45	P	Continuous dry granulation / compression	L.B. Bohle Team	
10:45-11:10	T/B	Transfer to Service Center and coffee break		
11:10-12:00	L	Interaction between Quality Control and Process Control in continuous manufacturing	Andreas Altmeyer	L.B. Bohle
12:00-12:30	L	Summary and Conclusion of the workshop	Dr. Meier and Team	
12:00-13:30	B	Snacks and individual departure of participants		

All transfers from the hotels to the Technology Center and back are inclusive.
The participant fee also includes accompanying course notes and catering.
